QUALITY SYSTEM & INSTRUMENTATION EXPO

17,18,19 June 2027

FIMA FACILITATION CENTRE

FIMA is launching an exclusive Facilitation Centre for MSMEs to help grow MSME business. Following support are being planned.

1. Help identify potential markets for MSMEs in the Defence, Aerospace, Space and Railways, Automotive, Food Processing, Technology sectors, Packaging, Electronics sectors within India and outside India.
2. Help MSMEs generate enquiries and convert the enquiries into orders.
3. Help MSMEs in documentation, GEM registration and Tender participation. Help MSMEs in Design and Development and offering latest Design Softwares on Usage rent basis.
5. Help MSMEs in testing their products.
6. Help MSMEs meetings with B2B and B2G Customers, arrange buyer seller meetings, Customer factory visit, etc.,
7. Organise MSME Fund Raising related programs, Marketing support programs and other programs to benefit the FIMA members.

To create a skill development centre to train technically qualified people with the support of Corporates and Industry and to feed well qualified work force to MSMEs.

With senior officers from Defence, Aerospace, Automotive, Electronics and some of the leading Industry Associations being part of the Facilitation Centre, the facilitation cell will start full swing operations from 1st July 2026.

MSMEs participated in the previous three Defence Shows and requiring support may please write to us.

MSMEs and INDUSTRY COMMUNITY IN NEED PLEASE CONTACT US

Call: +91-8056002464 (or) write to info@fima-india.org.in

FIMA Facilitation Centre and FIMA Skill Development Centre will be managed by a Governing Council with Defence, Aerospace and Industry veterans, Industry & Association leaders, Academic Institution representatives together with FIMA team.
